STATEMENT BY FIRM Terracon Consultants offers geotechnical, environmental, and construction materials testing services for private, state, municipal, and federal clients across the United States. Since 2004, our Portland, Maine regional office has brought high-value services to our clients in Maine and northern New England. Terracon has over 125 engineers, scientists, and technicians in the northeast. Our geotechnical and environmental services in Maine are led by Gina Gulseth, P.E. with a growing staff of more than 12 technicians and scientists.
